

# FOCUS

## Working Group Meeting

---

Thursday, March 6, 2008  
9:30 a.m. to 11:30 a.m.  
BCDC, McAteer Petris Conference Room  
50 California Street, 26<sup>th</sup> Floor, San Francisco

---

### Agenda

- I. Introductions & Meeting Overview
- II. FOCUS Updates
  - Station Area Planning Program Applications Received
  - Projections 2009 Performance Targets
- III. Transportation for Livable Communities (TLC) Program - Evaluation & Potential Improvement Options
  - MTC staff is developing an evaluation of its Transportation for Livable Communities grant programs. Staff is seeking input on potential future directions for TLC based on preliminary results from the evaluation.
- IV. Development without Displacement - Issues Facing Local Governments
  - ABAG will be providing two grants to communities with Priority Development Areas interested in identifying displacement concerns and how these may be addressed. Staff is seeking input on issues local jurisdictions face in implementing anti-displacement policies/strategies in order to tailor the grant application.
- V. FOCUS Next Steps
  - Next Working Group Meeting: April 3, 2008
