

# FOCUS

## Working Group Meeting

---

Thursday, April 3, 2008  
9:30 a.m. to 11:30 a.m.  
BCDC, McAteer Petris Conference Room  
50 California Street, 26<sup>th</sup> Floor, San Francisco

---

### Agenda

- I. Introductions & Meeting Overview
- II. FOCUS Updates
  - Priority Conservation Areas
  - Station Area Planning Program Application Review Status
  - Regional Transportation Plan
- III. Transportation for Livable Communities (TLC) Program Evaluation & Potential Improvement Options
  - MTC staff will seek feedback from the working group on the TLC evaluation report and case studies e-mailed in the agenda packet. Staff will also provide an update on next steps in the TLC evaluation process and in the development of TOD funding tools discussed at the last meeting.
- IV. Performance Criteria for Priority Development Areas
  - As sources of funding are explored to fund the capital needs of Priority Development Areas (PDAs), JPC staff is seeking input on the development of potential performance criteria as a basis for assessing PDAs in the competition for limited regional funds.
- V. Projections 2009: Draft Performance Targets
  - Several county meetings have been held on potential performance targets and land use assumptions for use in Projections 2009. ABAG staff will present draft performance targets and seek feedback on them.
- VI. FOCUS Next Steps
  - Next Working Group Meeting: May 1, 2008
